### ABOUT ME

I am a friendly guy. I am an enthusiastic, self-motivated, reliable, responsible and hard working person. I am a team worker and adaptable to all challenging situations. I am able to work well both in a team environment as well as using own initiative. The desire to do everything and strive to be a participant, not an observer, to push for new acquaintances, broadening one's horizons, with the aim of "living and learning." Always stable and long-term plans that will definitely come true. Sociability, mobility, I like to learn something new. I love computer technology, software, mobile applications, and electronics
